

Nominee/ Teacher: Mrs Loo

As a new teacher in SKMCC, Mrs Loo is doing a great job as a K2 teacher. She is very caring and loving towards the children. She has been very encouraging and motivating my ASD child-Julian. By giving her support and guidance regarding opinion on different situations that have occurred, she is always more than willing to help out, working hand-in-hand with me and going extra mile for my special need child. The children are so blessed to have such a nurturing teacher in the early years of their school journey.
