

Nominee/ Teacher: Mrs See

She has taught Gerrard how to button/unbutton his uniform and tucked in his PE attire properly. She has been very caring and patient with him, and had helped him go through his Nursery year (2010), which was very difficult for him. Till this day, she never fails to smile at Gerrard and her caring personality makes Gerrard feels secured to adapt to school easier. When Gerrard bumped into the pillar or was injured, Mrs See would apply ointment for him.
