

Nominee/ Teacher: 赵老师

She encourages and motivates the students a lot. In her, I see true dedication from a teacher to the students. My eldest daughter was taught by her previously. Even though, she had already graduated for 3 years, 赵老师 still asks about her when she sees me. She is truly a caring teacher who doesn't teach for the sake of teaching but one who really loves her students. She deserves the award!

Nominated by: Chua Ee Ting
(Mother of Ruth)
